Dear Friends of Heritage Elementary:

“Giving is not just about making a donation. It is about making a difference.” – Kathy Calvin

At Heritage Elementary, we believe that all students should be prepared to think deeply and to think well, regardless of their age or background. The STEAM program is a way of teaching children the inter-relationships between subjects, allowing them to see how all things relate to each other - in school and in life. We are the only STEAM Magnet Elementary Program in the Tustin Unified School District.

This year we invite you to be a partner in our Performing Arts Program. We will be staging **Madagascar Jr.** with over 150 students performing across three casts. Our students are working hard to learn their parts, songs, and choreography. They are practicing diligently for the next 14 weeks. This will be Heritage Elementary’s 4th annual musical theater production with six shows on April 4-6, 2025.

We encourage you or your business to advertise in our show’s program. The performances are highly anticipated, and seats are filled every year. We typically have at least 300 audience members per show. As a thank you for your donation, we plan to promote your business as a sponsor on our school’s PTA Website: www.heritageaviators.com. We are looking for monetary donations or items that will help create a successful production.

We kindly request that you complete the enclosed advertisement form and provide payment before the deadline of March 7, 2025.

Heritage Elementary School PTA is a non- profit organization and our Tax ID number is 90-1132519.

Please address any donations made to the school:
