Dear Friends of Heritage Elementary:

***“Unless someone like you cares a whole lot, nothing is going to get better, it’s not.”***  
***-Dr. Seuss***

At Heritage Elementary, we believe that all students should be prepared to think deeply and to think well, regardless of their age or background. The STEAM program is a way of teaching children the interrelationships between subjects, allowing them to see how all things relate to each other - in school and in life. An important part of our STEAM education is our Performing Arts Program.

This year we invite you to be a partner in our Performing Arts Program. We will be staging **Seussical Jr.** with over 150 students performing across three casts. Our students are working hard to learn their parts, songs, and choreography. They are practicing diligently for the next 12 weeks. This will be Heritage Elementary's 6<sup>th</sup> annual musical theater production with six shows on April 10-12.

We encourage you or your business to advertise in our show's program. The performances are highly anticipated, and sell out every year! We typically have at least 300 audience members per show. As a thank you for your donation, we plan to promote your business as a sponsor on our Performing Arts website <https://heritageperformingarts.com> and on promotional materials tied to the production. We are looking for monetary donations or items that will help create a successful production.

We kindly request that you complete the enclosed advertisement form and provide payment before the deadline of March 7.

Heritage Elementary School PTA is a non- profit organization, and our Tax ID number is 90-1132519.

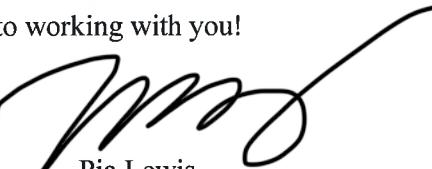

Please address any donations made to the school to:
